Dimensions (W x H x D)	12.6 x 11.8 x 7 inches
Weight (Unit)	26.5 lbs

## WARRANTY

LIMITED WARRANTY GATEPRO warrants to the original retail purchaser that the product is free from defects in materials and workmanship under normal use for one (1) year from the date of purchase provided it is installed, operated, and maintained strictly according to GATEPRO's instructions. Proof of purchase is required for all warranty claims. Failure to follow installation or maintenance guidelines voids the warranty.

This warranty does not cover damage caused by power surges, water exposure, improper installation, misuse, neglect, lack of maintenance, accidents, physical impact, or unauthorized repairs or modifications. In no event shall GATEPRO be liable for any indirect, incidental, special, or consequential damages, including but not limited to loss of use, profits, or property damage, arising from the use of or inability to use the product.

For warranty and any other purposes contact your GATEPRO authorized dealer. Refer to the complete warranty statement for full details and conditions
